Alumni Day Program Set

Alumni of Wartburg College will pay special tribute to the adopted alumni of St. Paul-Luther College which was closed and its records merged with Wartburg in 1934. The 75th anniversary of the founding of St. Paul-Luther will be recognized during the regular program of Alumni Day, June 6.

An 11 a.m. convocation for alumni and graduating seniors will open the day's activities. The speaker will be Chaplain Emil Redman, USN. At 12:30 the annual alumni luncheon will be held in the Parish Hall of St. Paul's Church.

THE LUNCHEON program includes a brief address by Alumni President, Rev. Bruno Schlachtenhaufen, First Lutheran Church, Waterloo; presentation of citations for meritorious service to four alumni, and a brief observance of the 50th year of service of Dr. G. J. Neumann.

The Class of 1960 will be formally inducted into Alumni Association membership, honored guests will be introduced and the dinner will close with the loyalty song.

FOLLOWING THE luncheon, St. Paul-Lutherites will meet in Homuth Memorial Library for their reunion meeting. Former President of St. Paul-Luther, Dr. William F. Schmidt, now pastor of St. Paul's Church here, will speak to the group. Displays of literature, pennants and photographs will be ready for viewing in the library.

At 5:30 p.m. the annual alumni barbecue will be held on the campus near the Memorial Union. Alumni Chapel at 7 p.m. and the senior music recital at 8 p.m. will conclude the day.

NO TEARS HERE, as senior Paul Schmitt makes a final check with Registrar Mattie Harms. Schmitty's record was on the up-and-up, which is always good when graduation day rolls around.

Schmidt, Marty Speak At Festivities; Two Will Receive Honorary Doctorates

June 5 and 7 are the dates set for Baccalaureate and Commencement festivities for Wartburg's 1960 graduating class.

The Baccalaureate service will be held at 4 p.m. at St. Paul's Lutheran Church. The Rev. W. F. Schmidt, president of the Board of Higher Education, will deliver the sermon.

Dr. Carlsen

Assisting Dr. Schmidt will be Pres. C. H. Becker as lecter and the Rev. H. A. Wilke, Waterloo, and the Rev. Gerald Nerenhausen, Waverly, as guest liturgists.

The Academic procession, which is handled by the junior class, will begin at 3:30 p. m. from the north side of the Chapel-Auditorium.

A SPECIAL HOLY Communion service for graduates, their families and friends will be held at St. Paul's on Sunday, June 5, at 6:30 a.m. Dr. Gerhard Ottersberg, History Department, will deliver the sermon.

Graduates will be guests at a buffet supper in the cafeteria at 5:30 p.m. on Sunday. Hosts for the affair are Pres. and Mrs. C. H. Becker, Dean and Mrs. John O. Chellevold and Mr. and Mrs. H. C. Engelbrecht.

THE COMMENCEMENT exercises will begin with an Academic procession from the Little Theater at 9:30 a.m. Tuesday, June 7.

In addition to awarding degrees to approximately one-hundred forty seniors, Wartburg will also award two honorary doctorates.

Dr. Anne Carlsen, a winner of the "Handicapped American of the Year" award, and Dr. Magnus R. Hestenes, professor of mathematics at the University of California at Los Angeles, will receive the degrees.

DR. MARTIN E. Marty, associate editor of The Christian Century, will deliver the commencement address.

The Rev. Herman Diers, chaplain, will serve as liturgist, while the Rev. H. W. Mayer, Hastings, Minn., will read the Scripture lessons. The Rev. Paulus Pilgrim, Waseca, Minn., will give the prayer and benediction.

Musical selections will be provided by the Band and Choir. "Praise God the Lord, Ye Sons of Men" by Mudde is the anthem to be sung by the Wartburg Choir, under the direction of James Fritschel, guest conductor.

Under the direction of Robert E. Lee, the Wartburg Band will play the traditional "Pomp and Circumstance" as the processional and "War March of the Priests" the recessional.

The exercises will be followed by an invitational luncheon at St. Paul's Parish House. The hosts are Pres. and Mrs. C. H. Becker.

Regents Act On New Dorm; 2 New Members Selected

Wartburg Board of Regents will be asked to take action regarding immediate building of a third unit of Centennial Hall, Women's dorm, when they hold their spring meeting here June 6.

Pres. C. H. Becker will ask the Board to approve construction plans at once. Part of the money has already been raised through the Development section's new "Castle Club." The group brought in subscriptions amounting to $24,000 in three days, according to Development Director Martin Ackermann.

The Regents will allow room on their agenda next Monday to approve 140 seniors for degrees. They will also review the present Admission's policy, according to Dr. Becker.

Two new members will join the Regents Jan. 1. Mrs. M. G. Christensen, Cedar Falls, and Dean Winkjer, Williston, N.D., were elected to the Board at the merging convention in Minneapolis.

They will replace Mrs. John Meyer, Smithsfield, Neb., and E. J. Spomer, Alexander, Kan.

Take a study break!

"The Court Martial of Billy Mitchell" will be shown tonight at 7:45 in Knights Gym as the last campus movie of the year. Admission is 35 cents.

The movie stars Gary Cooper, Charles Bickford and Ralph Bellamy. A cartoon will also be shown.

EDITORIAL—

Past Tense

There was the new campus congregation, a football championship and a basketball championship and a wrestling championship, the greedy hand of Nikita, active student government, the college hill corner, the campus beanery, Cramerism, April 1st, required convo? and Ludwig.

There were professors, administrators and other personnel who were cooperative and there were those who were uncooperative. There were those who could take criticism and those who could not; there were those who were congenial and there were many who were grateful.

There were students who read and criticized, there were some who read, there were some who criticized, there were some who complimented, pushed, prodded; and there were many who belong in Mark Twain's mass classification.

There were tests and vacations and late hours and arguments and agreements and colored ink and smooth paper and conferences and awards and rewards.

There is an occasional wisp of nostalgia.

Underclassmen feel bad enough about seniors being finished with their exams early. Seminarians need not appear to rub it in more.

Seniors, this is the last week of the best time of your lives — so they say. Now you have to go into the cruel world and start *worrying about things like money, overtime, over-population, alimony, etc.*

From the way the world situation is now, it seems it would have been better if the Trumpet editor would have clubbed Khrushchev with the copy of the Trumpet instead of handing it to him. (The bard of Minnesota, Larry (Swede) Nelson.)

Bachelors, beware! Some of the most flourishing bridal wreath bushes in town are growing around Centennial Hall.

Writer Counters Merger Criticism

Dear Editor,

This letter is in reference to an article concerning the newly merged church which appeared in the May 8 issue of the Trumpet.

The author of this article stated that perhaps some of the dissatisfaction arising in regard to the newly formed church was due to insufficient opportunities to discuss and criticize the merger procedure prior to the Constituting Convention.

I would like to point out that in Iowa alone the three merging bodies, under the direction of the three district presidents, conducted a series of no less than 20 conferences to which all people of the church were invited.

During these conferences hundreds of questions were raised and answered and scores of views were expressed and called to the attention of the Union Committee. Insufficient opportunities to discuss and criticize?

The statement was also made that the other two synods of the merger will be obligated to pay off a debt incurred by the ELC's college building program. A district president of the Lutheran Church has stated that if one were to add up the assets of the ELC colleges and then to subtract their indebtedness, he would find that he has made a buck or two by the merger.

A look at the records would show that all three synods have borrowed from the government for their college needs.

The article stated that: "It was evident throughout the merger that the ELC was consistently voting as a block . . ." This statement is unfounded and undocumented as it appeared in the article.

If this were true, why didn't the ALC and the UELC form a block and appoint directors of their own choice in each of the Boards? The fact that hundreds of ELC congregations voted for Chicago as headquarters and that an even greater number of ALC people voted for Minneapolis further tends to invalidate this statement.

The author also stated his concern over Dr. Schoitz's statement that "Doctrinally the newly merged church will be conservative."

This concern is unfounded when we know that he also stated that "The new church will be a radical church."

Is it not more Christ-like to rejoice in the fact that members of three merging bodies have all found a unity in their faith in Jesus Christ rather than to search for facets of the merger which could cause a feeling of dissatisfaction?

M. Fokkena Omitted During Honors Convo

Dear Editor:

After the Honors Convocation, it was called to my attention that although Meta Fokkena was called for a debate award, she did not receive one. This was my mistake and I apologize for the embarrassment which resulted for Meta.

Meta should have been acknowledged for her second year of participation in forensics, for the fact that she is secretary of the Wartburg Forensic Council and for her rating of "excellent" in oratory at the 1960 Iowa Forensic Association tournament.

Rev. Loyal Marx To Graduate Tues.; He's Pastor Of 1st Baptist Church Here

By Linda Mugridge

An ordained Baptist minister will graduate from Wartburg next Tuesday.

For the Rev. Loyal Marx, pastor of the First Baptist Church, Waverly, commencement will end study that began in 1954.

Pastor Marx graduated from the Moody Bible Institute of Chicago. an institution which does not grant degrees, in 1928. Since that time he has had to refuse a teaching position at Waldorf College, Forest City, and various church appointments, because he lacked a degree.

"I definitely feel handicapped without one," said Pastor Marx.

Taking three to eight credit hours each of the last 12 semesters at Wartburg, Pastor Marx has accumulated a total of 63 hours. These, combined with his Moody Institute study, make him a candidate for the Bachelor of Arts degree this spring.

"Some of my courses have really made me sweat," commented Pastor Marx.

However, his grades don't fall below a "C." He has a straight "A" average in his major study, German.

Three years ago he did a research paper entitled "The German Baptists in North America with Their National Origins" for a German honors course. The paper is available in the library.

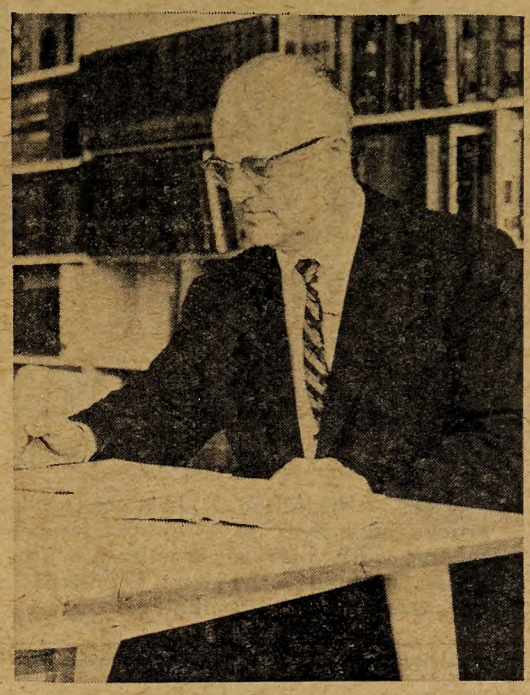
Last year Pastor Marx, who took practice teaching both semesters, taught German at Waverly Junior High School. As far as his other courses are concerned, Pastor Marx lists science and literature as favorites.

"Every course I've taken has had a broadening effect and its practical application," he commented. "A mature person appreciates them more."

In addition to going to classes, Pastor Marx has spoken at a number of chapel services and at two convocations.

"I have been wonderfully received at Wartburg," he said.

During his six years of study, Pastor Marx has noted many changes in the school. Besides the rapid growth in both number of students and number of buildings, he said the most striking change is the growing difficulty of class work.



Rev. Marx

Pastor Marx added that his studies don't unduly interfere with his ministry. In addition, his wife is "all for my schooling." The couple have two married daughters, one of whom attended Wartburg a few years ago.

Monday Pastor Marx celebrated the 11th anniversary of his coming to Waverly. Next Tuesday is an even bigger day. Pastor Marx graduates from Wartburg.

The farewell time of the school year is here. The profs are getting their last licks in and we are striving to show them that we were capable of learning something. Remember that if you don't do too well on your finals that's your fault. If you get too high a grade that's the prof's fault — he gave an easy test.

Did you notice how strange it was that others who had said nothing more than "hi" to you all year are now calling you by your first name? The reason is that the Fortress is out and they can find what your name is without having to embarrassingly ask you.

While on the subject of the Fortress I might mention that I thought it was a good one. But then, my picture came out fairly well.

★ ★ ★ ★

After weeks of searching I finally found two things I had been looking for: a Chicago Cub and White Sox fan. Jim Adix sticks firm behind the Cubs and Don Bathgate behind the White Sox. Congratulations — it takes a lot of nerve to admit it.

Underclassmen are to take no special notice of the nostalgic seniors that stand around taking a last wet-eyed look at the campus.

This happens every spring. Other seniors are really sobbing. It isn't that they are sentimental, it is just that Miss Harms caught up with them and is requesting a few more hours.

★ ★ ★ ★

I wonder how many underclassmen, outside of the band and Castle Singers, will be staying for graduation? After all it is ONLY four days after tests are over. That graduation schedule must have been made up with as much forethought as this column is written with.

Gourley, Zehr, Nichol Play Swan Song As They Finish College Baseball Career

By Darrell Jobman

This year's baseball team will be almost intact next spring, but there will be three important cogs missing.

Seniors Derald (Skinner) Gourley, catcher, Roger Zehr and Chuck Nichol, both outfielders, donned their Wartburg baseball uniforms for the last time this week.

Besides being senior veterans on the squad, the three have other things in common. All plan to teacb next fall. Gourley plans to teach business education, Zehr is a prospective biology teacher and Nichol wants to coach athletics and pbysical education. But, as of now, none of the trio has a school lined up for the fall.

ALL THREE have a pile of letters from high school and Wartburg competition. And all three are W-Club members, Nichol serving as president.

Gourley, who comes from Corwitb, picked up three baseball letters and two in basketball in high school. He says tbat his greatest sports thrill was "winning the state high school championship several years ago."

Gourley will win his second letter at Wartburg this spring. He led Cotta to the IM American League basketball crown last winter and topped the scorers on the all-star IM team, that played Luther, with his deadly jump shot.

NICHOL IS probably better known on the gridiron. He is a four-year letterman in that sport at Wartburg and was a standout member of last fall's squad. Nichol, who comes from *nearby Greene, says his greatest* thrill was winning the conference the second straight year and beating Lutber, 26-0.

"We'd never done tbat before," he mused.

Nichol was a busy athlete in high school, receiving four football letters and three each in track, baseball and basketball. An excellent defensive

Gourley Nichol Zehr

outfielder, Nichol will get his second baseball letter here.

Besides being the head of W-Club, Nichol is a member of Student Education Association.

THE MARRIED man of the group, Roger Zehr, is interested in dramatics in addition to sports. One of the baseball squad's better jokesters, Zehr is a member of Wartburg Players and treasurer of Alpha Psi Omega, dramatics fraternity.

Zehr, a native of Flanagan, Ill., also owns a host of high school letters. He won four letters in baseball and in track, three in football and two in basketball. Zehr is a catcher but was converted to an outfielder this season because of an overabundance of catchers.

A member of W-Club, Zehr also participates in intramurals "off and on." As to his biggest thrill, "I don't know what it would be," says Zehr.

Although Wartburg will still be a definite threat in the conference, the squad will miss these three next season.

Racqueteers Finish Fourth

Knight racquetmen ended their season Saturday with a fourth place finish at the conference tournament at Decorah. Larry Mugridge placed tbird in the tourney to lead the Knigbts.

Mugridge, a sophomore from Waupun, Wis., defeated Warren Clerbout, Central, and Gary Roseugreen, Simpson, before being defeated by Bob Speed from Luther who went on to capture the tourney.

Dave Braunschweig also entered and defeated Marty Koiken from Central but was then defeated by Robin Wilkins of Parsons.

The tourney was won by Dubuque, followed by Luther, Parsons, Wartburg, Iowa Wesleyan, Central and Simpson.

Clinton Tigers Win Crown

Clinton Tigers dumped Lueder, 8-5, yesterday afternoon to win the intramural softball championship.

The Tigers, after spotting Lueder a run in the first inning, came up with a three-run rally in the second. Lueder tied it at 3-3 with a pair of scores in the third.

But a pair by the Tigers in the fourth, one run in tbe fifth, and another two runs in the final stanza put them out of reach although Lueder picked up two counters in the sixth.

Don Dietzler homered and Bill Wacbholz had a long triple to provide the Tigers' big blows.

CLINTON TIGERS pose happily after winning the championship in the intramural softball double elimination tourney yesterday. The Tigers ended the season with a 6-0 record.

Front Row — Don Bathgate, Ralph Marquardt, Tom Kuckkahn, Don Dietzler and Corliss Klaassen. Back Row — Reuben Drefs, Roger Klepzig, Bill Liedtke, Bob Lohman, Jim Siebrands, Bill Wachholz and Steve Schar.

Picking Up Splinters

By Chuck Jepsen

The spring sports banquet Wednesday evening put the wraps on the sports year at Wartburg.

Before the eyes of prospective athletes, spring awards were given. Fourteen track, fourteen baseball, four golf and six tennis letters were awarded.

★ ★ ★ ★

In addition to the letters the two top athletic awards of the year were presented.

Marv Ott, junior from Arlington, won the 25th annual Hertel Medal, and John Tuecke, senior from Garnavillo, received the Voecks Trophy.

Ott was chosen by the W-Club from a list of three coach-selected candidates.

Tuecke

Ott

For an athlete to receive the Hertel Medal, he must have won letters in at least two major sports. Ott has lettered in football, basketball and baseball.

★ ★

The Voecks Trophy is given on the basis of athletic achievement, scholarship and attitude. Tuecke is a four-year letterman in basketball who holds nearly every basketball scoring mark in the Knight record book.

Tuecke was selected for the award by the faculty athletic committee.

★ ★ ★ ★

A glance at the past year shows that it has been the most profitable one in Wartburg history. None of the eight competing teams finished lower than fourth in the league standing.

Among the accomplishments were the second consecutive titles in both basketball and football, a tie for first in both wrestling and golf, second in cross country and fourth in track, baseball and tennis.

The combined record for football, basketball, baseball and track was 36-14, a .720 percentage.

★ ★ ★ ★

In taking a quick peek at prospects for next season, one can become rather optimistic. Only three baseball lettermen graduate, a mere two basketball veterans will depart and a similarly small group of football lettermen won't be around next season.

Prospects are great for future seasons at Wartburg. As for this year, it's all finished, and so is this column. Now I can spend all summer removing the splinters I've accumulated throughout this school year.

Oppiemen Fall To Panthers Wednesday After Beating Them In Monday Game

Season's Record Ends Up At 7-5

By Don Bathgate

Iowa State Teachers College downed the Knights 2-1 Wednesday to avenge an earlier defeat. The loss gave Wartburg a 7-5 record for the season.

Wartburg had dumped the ISTC Panthers at Cedar Falls on Monday in a 5-4 contest and then Buena Vista edged the Knights the following day by a 3-2 count.

ISTC jumped on Jim Borcherding Wednesday, for two runs in the first inning by scoring on four hits and a wild pitch, and then held off the Knights the remainder of the way.

Folsom struck out to start the first inning, but Kittleson singled and Steiert followed with a triple to drive in Kittleson. Steiert then scored on the wild pitch. Borcherding allowed two more hits in that inning before Holbrook grounded out to Ott to end the inning and ISTC's scoring for the day.

THE PANTHERS picked up their remaining two hits in the fourth when LaFrentz led off with a single and Holbrook followed with another. The next three men were retired in order as Borcherding settled down for the rest of the day.

Wartburg scored its only run in the fifth without getting a hit. Borcherding reached first on an error at shortstop. Kermit Urbain hit one to the pitcher, who threw it away while Borcherding went to third. Don Sowers then sent a long fly to right and Borcherding scored after the catch.

Ray got the win for ISTC, while striking out seven and walking three. Borcherding, who took the loss for the Knights, fanned four and walked two. His record now stands at 4-2.

TUESDAY, BUENA Vista put together three hits and a walk in the fourth inning to score two runs and then scored the winning run in the eighth with a hit, an error and a sacrifice fly to edge the Knights 3-2.

Don Hein started for the Knights and went all the way to take the loss. Borchers collected the win for the Beavers.

Monday the Knights came from behind to down TC 5-4, by scoring three runs in the eighth inning on consecutive hits by Marv Ott, Fred Mai, Arlyn Saathoff and Al Exner, following an error by the pitcher.

Exner had scored the previous two runs in the second inning with a long home run over the left field fence. Ott started for the Knights and was relieved in the seventh by Borcherding, who got credit for the win. Folsom went the distance for TC and took the loss.

ARLYN SAATHOFF rounds third base during the Knights' contest with Iowa State Teachers College Wednesday. The ISTC Panthers edged the Knights 2-1 in the final game of the season .

Grossmann Tramples Foes In IM Track Meet Thurs.

By Darrell Jobman

Grossmann Hall overpowered three other foes in the annual intramural track meet last Thursday in chilly, wet weather.

Grossmann had a strong field with lots of depth and copped 80 points to outscore the otber three combined. Waverly finished second with 34 points, Clinton placed third with 28 points and Off-campus had 6 points. Points were given on a 5-3-2-1 basis.

Marv Ott, three-sport letterman, participating on the Waverly team, was the meet's high scorer with 15 points. Ott was the only double winner as he grabbed the football throw with a 165' 10" heave for a record and the 100-yard dash in 11.3 seconds.

HARLAN ROZNOS won first in the broad jump with a leap of 18' 11", finished close behind Ott in the football throw and tied for third in the high jump at 5' 4" to gather 9½ points and lead Grossmann.

Howard Joens added nine points to Grossmann's total by taking the high jump with a 5' 7" leap and placing third in the hurdles and the broad jump.

Reuben Drefs counted eight points for Clinton with a 108' first-place toss in the discus and a second place finish in the high jump. Sharing Clinton's scoring honors was Dave Brunscheen, who won the shot with a 33' 11" put and took second in the 440 after setting a blistering pace in the first half of the distance.

Waverly's 440 relay team, composed of Bauer, Ott, Zehr and Spiegel, took that relay from Grossmann with a 49.7 clocking, about a second slower than the record.

Darrol Bauer, defending champion in the mile and the 880, won one of his crowns again as he took the mile without serious competition in 5:40.6. But Phil Borleske upset him in the 880 with a fine 2:21.5 time, five seconds short of the IM mark set in 1952.

BERNARD MASKER, besides being anchor man on the winning 880 relay team, took the 220 yard dash in 26.5 and then added a second place in the 100-yard dash in one of the day's tighter races.

Bob Stroud finished right behind Masker in the 220 and added a second in the shot put to help the Grossmann cause. Bill Liedtke led the pack at the end of the 440-yard dash with a 59.1 time.

Marc Queck led the Grossmann contingent in the fat man's (over 200 pounds) 100-yard dash as all four places were captured by Grossmann. Queck's time was 12.6 seconds.

Norm Mielke set the pace in the 120-yard low hurdles with a 15.7 time.

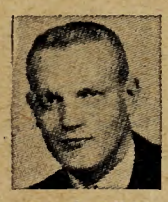
Jim Borcherding April Athlete

Jim Borcherding, sophomore from Sumner, has been chosen the "Athlete of the Month" for April, according to Chuck Nichol, president of the W-Club.



Borcherding

Jim has been a mainstay on Coach Earnest Oppermann's baseball squad, compiling a 4-2 record this spring. He has hurled seven contests, pitching 41 innings and allowing only 28 hits and fanning 46.

Borcherding plans to do some pitching for the Sumner Cubs and work on their recreation program this summer.

Runners 4th In I.C. Meet

By Tom Kuckkahn

Wartburg track squad placed fourth in the Iowa Conference track meet at Decorah last week. The Luther Norsemen emerged the victor by 1/14 of a point over the favored Dubuque Spartans.

Simpson Redmen finished third, edging the Knights out of that position by 9/14 of a point. The remaining places were occupied by Parsons, BV, Central, UIU and Iowa Wesleyan, respectively.

JUNIOR DASHMAN Eddie Skay and sophomore pole-vaulter Dixon Zander were tbe only Knights to cop first places in the meet. Despite adverse running conditions Skay traveled the 220 in 22.1, to take first in that event.

Zander, Wartburg's answer to the Russian sputnik, sailed 12' 3" to take first place in the pole vault. Skay also finished third in the 100 yard dash and fourth in the broad jump.

CHUCK WALLIN, holder of the Wartburg record in the discus throw, finished second in that event. Three other Wartburgers placed in the field events. Jim Thomas tied for second in the pole vault and freshman Jerry Schara salvaged a fourth in his specialty, the high jump. Warren Hilgendorf, also a freshman, chalked up a fifth in the discus.

John Niemeyer, aggressive hurdler, finished a commendable third in the 120 highs. The only position the Knights were able to muster in the distance events was a fifth in the mile relay.
